What We Do

We work in partnership with the Northern Ireland Ambulance Service (NIAS) to provide the Helicopter Emergency Medical Service (HEMS) for N.I.

Our crew attend some of the most traumatic incidents across N.I. delivering the very best pre-hospital care to patients both at the scene & while transferring them to hospital.

On average, every single day at least one person in Northern Ireland finds themselves in desperate need of Air Ambulance NI.

Air Ambulance NI is a charity. Each day fundraising of £5,500 needs to be raised to keep our service operational. We rely on support from the public and local businesses.

Fundraising at Home!

Birthday Fundraiser

- Do you have an upcoming birthday? Sadly over the next while, lots of people won't be able to celebrate their birthdays with a big party. However, you can still do something incredible!
- By setting up a Facebook fundraiser or JustGiving Page and asking your friends and family to donate instead of exchanging birthday gifts, you can help Air Ambulance N.I. save lives!

Sponsored Silence

- Being at home all day with your family can get quite noisy! Why not try doing a sponsored silence?
- Set yourself a dedicated time window for this challenge. It could be a few hours or even a day or two.
- Set up a JustGiving Page for your friends & family to sponsor you or use the sponsorship form on the page below.

Tuck Shop

- Create your own tuck shop from snacks you have at home.
- Set prices for the items you'd like to 'sell'.
- You can donate the profits of your tuck shop to Air Ambulance N.I. online or by posting us a cheque.

If you have your own fundraising idea, please feel free to use the sponsorship form below.
